TCX (Twin Cities Experience)...

Prayer Requests:

- Praise God that we have now launched officially on the Madero Campus.
- Pray for student leaders on the Madero Campus (specifically Memo and Abi) that God would use them to begin a movement
- Pray for students on the UDLA campus as we have had one meeting with them and are poised to launch on that campus.
- Pray for our meeting with pastors on the 27th.
- Pray that DeAnn would be able to begin meeting with Mitzi again.
- Pray for Joe, a Jehovah's Witness. Pray that as I share with him he sees Jesus as Lord and Savior. If you can, pray for him on Tuesday nights at 6!

The sound of 1500 college students praising God is a beautiful thing! And to join with them is a blessing that God gives us each year at TCX. TCX is the Campus Crusade Christmas Conference for Midwest. As part of our job in Mexico we go to TCX every year to be involved in recruiting college students to join in the work of reaching Mexico for Christ. Last year we packed out a room with people interested in what was going on in Mexico. This year some of those people, that made the decision to go to Mexico, shared their stories and helped us encourage others to come down. Our presentation was packed again and it looks like we are going to have a number of people come down to Mexico...actually a prayer request is that we would be able to handle all of them! God is good!

As DeAnn and I heard one girl share her story of running into us in an elevator last year at TCX, hearing about Mexico, and then going down to Puebla for six weeks this summer. We were touched that God had chosen to use us in this way. Stephanie had tears in her eyes as she described ministering to Mexican college

Students praying at TCX. Students grow at TCX. It is a great thing to see!

students in Puebla. She also said that she is considering coming down on a one year project. We want to thank you for being a part of her life and all the lives that she ministered to while in Puebla. If you were not our ministry partner we would never be able to do this.

Please be praying for the students that come down this spring and summer. Pray that God would be increasing their faith. Pray that God would use them to lead Mexican students to Christ. And pray also for the work that they will be doing as they step out in faith by going to orphanages and showing Christ's love to the children there.
