Prayer Requests:

- Pray for the CD give-away outreaches.
- Pray for the Pizza Parties that we will have 3 Thursdays of this month. (In Mexico as in the states, Free Pizza is still a big draw!)
- Pray for our team. Pray that we will have energy and health throughout these next three weeks.
- Two upcoming events: Pray for E2 (Explosion and Expansion.) Pray that 100 students would come to catch a vision for Puebla. Pray for Congreso. That 200 students would go from Puebla and 1000 from all over Mexico!

Notes From Dan and DeAnn!

*There has been a lot going on and there is more coming up. Thanks for being a part of this ministry with us!!

Marzo Loco Hits Again!

As we've been leading the team this year in Puebla, we've continually said "Well, March is a crazy month and just expect to be very tired!" And here we are in March with our first group of Spring Breakers coming down on Saturday the 4th. Three groups from three different universities in three different states will be hitting campuses here in Puebla for three weeks in a row. This is a huge time for us. With the additional manpower we will do six different evangelistic outreaches as well as one vision casting event for Christian students. This is alongside everyday personal evangelism. We are trusting God to bring many students to Himself in

A Visit from the Padres!

We had a lot going on in February with ministry and with planning for March and then planning for Congreso (our international student conference), but one very special event was the visit of Dan's parents! We had a great time with them! They spent a week with us and it was great for them to be able to see our house, see what we actually do down here in Mexico(!), eat some great Mexican food, and even paint one room in our house for us! So if anyone wants to come down, and feel free to visit...but we might put you to work!!! One of the things that we like the most is to introduce people to the food here in Puebla. On our website we have an article about the food here, but let me sum it up...it's amazing! So Dan's Mom and Dad got to eat some great tacos (El Pastorcito) and his dad impressed us with his willingness to actually eat the "Meat on a Stick!" Here is a photo of them with the

owners of El Pastorcito which is a block and a half from our house. My Mom also impressed the Mexicans with her ability to eat extremely hot salsa! I think she actually eats more hot stuff than most Mexicans...sort of crazy! Another great experience was that while they were here Dan had the opportunity to give his very first sermon in Spanish (DeAnn translated for my Parents of course!)
