## Notes from Dan and DeAnn!!

\*Thanks for being in ministry with us here! Without you this would not happen!

### Isaac sees...

### Prayer Requests:

- Praise God that we are pretty much settled in and without too many problems!
- Pray/Praise for DeAnn's ministry on the BUAP campus. Pray for Mitzi, a girl DeAnn recently led to Christ, that she will continue to grow...(more about her on the web!)
- Prayer/Praise. Pray for Eddy and his family as his mom recently passed away. The praise is that she was at peace with God and we know that Eddy and his mom will one day be reunited in heaven.
- Pray as we begin to meet and work with Pastors here in Puebla.

We got rid of the fleas, bought some furniture, went to our first weekly meeting for the BUAP campuses and then we had a conference. Jay, Brian and I had invited all the guys to a "Biblical Manhood Study" scheduled for the day we were to get back. We thought that there would be no problem and that we would have time to get back and rest before the Bible Study. That was not the case however.

We called everyone we had invited and it looked like no one was available that night. We were actually thinking that it was a good idea to not have it that night for us to rest when we finally received a phone call from Isaac. He asked us where we were meeting again and so the study was on...but for only one person.

He showed up and no one else. And since I had just met Isaac I assumed he was a Christian due to the fact that he made an extra effort to go to a Bible Study. So I asked him what his story was. And as it turns out, I assumed wrong!

Isaac shared with us that he had grown up going to church and even religious school but that he had no

idea where he would go if he died and that he had no idea how to have a relationship with God. So I just asked him if I could share with him what the Bible said on the topic! And he said "Of course!"

To make a long story short. Isaac prayed to receive Christ as his Savior that night and has been coming to Bible Study and follow-up for the past 2 1/2 weeks. I asked him recently how he would describe his life before knowing Christ. In his own words he said, "Come si fuera ciego y no podia ver mas alla." (It was like I was blind and couldn't see what was ahead of me.) Praise God with us that though Isaac once was blind he now can see!
